SEALANT - FOREVER WHITE

Forever White contains Microban® which is one of the most recognised and trusted anti-bacterial brands in the world. Microban® is used in hundreds of products from cutting boards to shower trays, and brings an assurance of long lasting protection. Microban® works by penetrating the cell wall of the micro-organism, disrupting the cell function preventing growth and reproduction of the micro-organism.

Microban® antibacterial protection is evenly distributed throughout the silicone structure during manufacture.
